

Iowa Health Information Network (IHIN) Patient Look-Up Authorized Healthcare Organizations

Request for patient look-up access

AUTHORIZED ORGANIZATIONS:

The following organization types are approved for consideration for Patient Look-Up Search functionality. A standard IHIN Participation Agreement (PA) and Business Associate Agreement (BAA) are required.

Organization Type

- Hospital
- Ambulatory Clinic
- Ambulatory Surgery
- Specialty Care Clinic
- Local Public Health
- Long Term Care
- Physical, Occupational and Speech Therapy
- IME
- Pharmacy

Additions to the Authorized Organizations list above may be considered upon request. Please e-mail info@ihin.org or contact our Privacy and Security Officer with questions or to ask that a new type be considered.

Organizations with a 'Direct' PA must sign a Standard PA and BAA to be considered for Patient Look-Up.

To be considered for approval of Patient Look Clinical Portal Access for either an approved organization type, or for a new organization type, please complete the form 'Attachment A' below and return the completed form to info@ihin.org.
